

A **Spiritual Mind Treatment**, or *affirmative prayer*, is a method of creating a desirable experience in our lives by creating a desirable idea about ourselves in consciousness. A **Practitioner** uses his or her own mind to get clear about you and your desire, so that the One MIND in which we all live, move, and create is set in motion in the direction you desire AND CHOOSE.

If you want one of our Practitioners to do such work for you, choose one of the following options:

- Write a clear and brief statement of your desire on the other side of this card and place in the collection plate during service or drop in the box on the Practitioner table in the lobby.
- Visit the **Practitioner table** in the lobby before or after Sunday service to meet our Practitioners and to get more information and contact information about all of our Practitioners.
- Request a treatment online ANYTIME by visiting on our website at:
